Good morning Mr. Milazzo. I saw from a recently filed shareholder derivative action brought on behalf of Co-Diagnostics, Inc. that you represent the Company.

Attached please find a shareholder demand letter that was served on the Co-Diagnostics Board of Directors via UPS on November 11, 2020 and received by the Company (according to UPS) on November 13, 2020.

I am sending to you personally merely to ensure receipt as mail delivery, even through private companies such as UPS, has been adversely affected by the pandemic.

I hope you, your colleagues, and your family remain safe.

Regards,

Jimmy Ficaró
